

Donald Marcucci

June 26, 1951 - January 2, 2022

Marcucci, Donald, 70 of Clifton, passed away on January 2, 2022. Donald was a kind, caring and intelligent soul with generosity that knew no bounds. All who knew him adored his warm and friendly personality and enjoyed his vast knowledge about history. A music buff, he enjoyed listening to The Beatles, and he had a passion for reading. He enjoyed traveling and caring for our dad, Jules and accompanied dad everywhere until dad's passing five years ago. After that, Sunday dinner was always the plan at his sister's home to keep the family traditions and sibling connection alive and well. Deep and spirited conversations with his nephew JP about history and the world enlightened all who sat at the table. He loved visiting his brother Bobby & his wife Judy in North Carolina for some R & R. Donald was a member of the Italian-American Club in Clifton, NJ.

He exhibited early in life passion for the printing arts and created beautiful embossed leather belts and handbags. Opportunities were afforded to him in the Arnold Bread and Mutual Biscuit

Companies and he flourished running two businesses in Bergen County. He moved on to being a distributor in the pizza industry. Later in life, he worked at Sacred Heart School in Clifton.

Predeceased by his parents Julius and Elizabeth Marcucci (nee Costantini). He is survived by his brother Robert and spouse Judy of Kernersville, NC, his sister Michele and spouse Gary of Clifton, NJ, and his beloved nephew and godson, John Paul Zaccone of Clifton, NJ, along with many cousins.

Funeral from the Marrocco Memorial Chapel - 470 Colfax Avenue Clifton on Wednesday at 9:30 AM. Interment at Calvary Cemetery. Visiting Tuesday 2-6 PM. In lieu of flowers, donations to John Theurer Cancer Center in Hackensack would be appreciated.

“ Donald was always a generous and charitable soul in life. He was good and forgiving even to people who wronged him. It's examples like his everyone in this room should try to follow; he would want us, all of us, to look out for each other where we can, and equally important, listen to and consider each others' counsel. That's how we should repay him for all the kindness he's given our families over the years. I will miss him so very much.

“ Donald was fun to be around and always was smiling. We were part of the Nash Pash gang during the 60's which were some of the best times of my life.

“ Rest In Peace dear Donald. We were classmates at Sacred Heart School. He was always the boy most wanted by the girls. My mother Florence Scussel Kreisinger went to school with his mom. We lived on Sherman Place until the house was sold in 2014.

Keep your memories of him close and always treasure the time you were together.
So sorry for your loss.

Susan Kreisinger.
